BALINESE STYLE

IN THE HEART OF THE CARIBBEAN

The newest and most unique vacation property in Jamaica; offering extremely well appointed features with the most peaceful and protective beauty the bay has to offer. An exclusively private five star gated community, comprising of 12 unique and independent villas, communal green areas, terraced koi ponds and footpaths to private beach, dock with yacht slips, private gym, 24 hour security and all the amenities of home.

Each villa boasts a generous plot of land ranging from 7000 sq ft to 9000 sq ft. The villas embrace a spaciouly open living concept combined with air conditioned lifestyle configured with two or three bedrooms. Exploring a divine sense of openness and direct connection to surrounding nature, Indigo Bay is unmatched in any residential development in Jamaica and perhaps the Caribbean. The estates of Indigo Bay define LUXURY LIVING at its best.

STUNNING ATTENTION TO DETAIL

The open plan living areas are the heart of each villa; the close proximity of the swimming pool enhances the indoor-outdoor living thus creating a fluid transition between the internal ambiances and external gardens. A true blend is created with the use of natural stone pathways, sleek quartz and corian countertops, luxurious natural cut stone throughout imported from Indonesia, sustainable certified teak and other exquisite materials.

LOCATION IS EVERYTHING

The private Estates of Indigo Bay are located in the heart of Jamaica's most valued and sought after location situated exactly half way between the city of Montego Bay and the beautiful beaches of Negril, nestled within the beautiful landscape overlooking the Caribbean Sea towards the alluring western sunset. Maximum privacy, tranquility and security are just a few of the many pleasures offered at Indigo Bay and it is only a mere 30 minute drive from the airport.

MASTERFULLY CRAFTED BALINESE DESIGN

From the peaceful aesthetics of Bali to the colorful and vibrant lifestyle of the Caribbean, Indigo Bay immerses you in a seamless fusion of two diverse tropical worlds. It is the only estate property development in Jamaica infused with the authentic architectural flair of Bali combined with modern living. Each villa of Indigo Bay forms a natural balance and sense of respect with the surrounding environment, both by means of natural materials and utilization of green building techniques.
